Section 5.03 Creation of Lien and Personal Obligation for Assessments.

Declarant, for each Lot within the Community hereby covenants and each Owner of a Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments on Lots together with such interest thereon and costs of collection thereof, as hereinafter provided, including, without limitation, reasonable attorney's fees, shall be a charge and continuing lien on the Lot against which each such assessment is made and shall be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 5.04 Maximum Annual Assessments.

The annual assessment [maintenance fee] may be paid in 12 equal payments, due the first of each month. The annual assessment beginning January 1, 2010 will be Eighteen Hundred and No/100 Dollars (\$1,800.00) or One Hundred Fifty and No/100 Dollars (\$150.00) per month.

- (a) Lots owned by the Declarant shall not be subject to annual assessments unless approved pursuant to subparagraph (d) of this Section 5.04.
- (b) Until The Homeowners Association deems appropriate, the monthly assessment for each improved Lot owned by an Owner other than Declarant shall be as set by the Board of Directors (prorated according to the number of days during the applicable month that the Lot is owned by such Owner. Each succeeding month shall be at the full monthly rate).
- (c) Beginning January 1, 2010, and each year thereafter, the maximum annual assessment for each improved Lot owned by an Owner other than Declarant may be increased by the Board of Directors of the Association without a vote of the Members, by a percentage of the maximum annual assessment for each Lot for the next preceding year which may not exceed ten (10%). If the annual assessment is not increased by the maximum amount permitted hereunder, the difference between

any actual increase which is made and the maximum increase permitted for that year shall be computed and the annual assessment may be increased by that amount in a future year by the Board of Directors of the Association without a vote of the Members, which increase may be in addition to the maximum increase otherwise permitted herein. Notwithstanding anything to the contrary, in the event additional Property is added pursuant to Section 2.02 hereof to the scheme of development set forth herein, Declarant may increase the maximum annual assessment described above to such amount as may be deemed appropriate by Declarant.

- (d) A majority vote of each class of voting Members of the Association must approve an increase or decrease in the yearly assessment if the increase or decrease exceeds the assessment for the previous year by more than ten (10%) percent.

Section 5.05 Special Assessments.

- (a) In addition to the annual assessment referred to above, a one-time special assessment of \$300.00 shall payable to the Association for every Lot purchased from the Declarant whether by deed or by land sales contract, such assessment to be due and payable upon the closing of such purchase. The special assessment shall be used to defray the costs of establishing 3 CHERRY WAY Homeowners Association and starting a sinking fund for the purpose of defraying the costs of described in Section 5.02(c) above and the costs of maintenance and repair of streets, drives, parking lots and the exteriors of the Units and the structures located in the Common Area. Any part of the special assessment that is not required for these purposes shall not be refunded but shall be made a part of the general funds of the Association. The Declarant reserves the right to increase this special assessment at any time and from time to time as may be needed to pay the actual costs of architectural review and administration. This one time special assessment shall be transferable in that: (1) upon the payment of the special assessment by the original Purchaser of a Lot from the Declarant, the Association shall deem the special assessment satisfied so that no subsequent Owner of that Lot shall be obligated to pay such special assessment again, and (2) the original Lot purchaser from the Declarant and every seller of that Lot thereafter shall have the right to seek from the purchaser from such seller the reimbursement of this special assessment. Neither the Declarant nor the Association shall have any duty to seek such reimbursement for the benefit of any person or party.
- (b) The Association may levy yearly special assessments in any calendar year for the purpose of supplementing the annual assessment if the same are inadequate to pay the reasonable maintenance expenses and operation costs of the Association as described in Section 5.02 hereof; provided that any such special assessments shall have the assent of a majority of each class of the voting Members of the Association at a duly called meeting. A special assessment may differ in amount as between Owners of Dwelling Units and Owners of unimproved Lots, provided that any difference is reasonable and equitably determined.

Section 5.06 Special Assessments for Capital Improvements. The Association may also levy in any assessment year a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any new construction, reconstruction or described capital improvements or unexpected repair or replacement or described capital improvements upon the Common Property, including the necessary fixtures and personal property related thereto; provided that any such assessments shall be adopted by a two-thirds (2/3) affirmative vote of each class of Member voting in person or by proxy at a meeting duly called for such purpose in accordance with Section 5.05.

Section 5.07 Notice and Quorum for Any Action Authorized Under Section 5.05 and 5.06.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 5.05 and 5.06 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the

meeting. At any such meeting called, the presence of Members or Proxies entitled to cast forty (40) percent of all votes of each class of Membership shall constitute a Quorum.

Section 5.08 Uniform Rate of Assessment. Except as otherwise provided herein, both annual and special assessments must be fixed at a uniform rate for all Improved Lots.

Section 5.09 Special Individual Assessment. In addition to the special assessments authorized above, the Board of Directors shall have the power to levy a special assessment applicable to any particular Lot Owner ("Special Individual Assessment") (i) for the purpose of paying the cost of any construction, reconstruction, repair or replacement of any damaged component of the Common Areas, including the roadways, whether occasioned by any act or omission of such Lot Owner(s), members of such Lot Owner's family, or such Lot Owner's agent, guests, employees or invitees and not the result of ordinary wear and tear or (ii) payment of fines, penalties or other charges imposed against any particular Lot Owner relative to such Lot Owner's failure to comply with the terms and provisions of this Declaration or the Bylaws provided, however, that the Declarant shall not be obligated to pay any Special Individual Assessment except with the Declarant's prior written approval.

Section 5.10 Date of Commencement and Payment of Annual Assessments; Due Date.

The Annual Assessment shall be due and payable on February 1 of each year, commencing February 1, 2010, provided the Board of Directors may elect to collect the Annual Assessment on a monthly basis in advance. On a monthly basis, the dues (maintenance fees), shall be due on the first (1st) of each month, commencing on the first (1st) of the month following closing the improved Lot. The Board may also appoint a collection agent to whom Annual and/or Special Assessments shall be paid. Payment of the assessment shall be past due on the tenth (10th) day after the due date of each monthly installment. The Board of Directors of the Association shall fix the amount of the Annual Assessment for each Lot at least thirty (30) days prior to the beginning of the year for which the assessment is applicable. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due date of any special assessment shall be fixed in the resolution authorizing such assessment. The Association shall upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth the status of payment of assessment(s) on a specified Lot.

Section 5.11 Effect of Nonpayment of Assessment; Remedies of the Association.

Any assessment (or installment) not paid within ten days after the due date shall be subject to a late charge of \$25.00 and if not paid within thirty (30) days of its due date shall bear interest thereafter at the rate per annum of the lesser of eighteen (18) percent or the highest rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the assessment or foreclose the lien granted to it hereunder and charge the costs of collection, including attorney's fees, to the Owner. At its discretion the Board of Directors may order the water supply be turned off to the delinquent Owner's Unit per NC House Bill 1541 and this declaration. Water shall be turned on when the delinquent Owner satisfies by payment or arrangement the delinquent assessment. No Owner may waive or otherwise escape liability for the assessments provided herein by nonuse of the Common Property or abandonment of his Lot. For purposes of this Section, the amount of delinquent assessments plus accrued interest and collection costs shall be evidenced by this paragraph, and this Declaration shall be considered an evidence of indebtedness under the provisions of Section 6-21.2 of the North Carolina General Statutes, or similar statutes.

Section 5.12 Subordination of Lien to Mortgages. The lien of the assessments provided herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall release such Lot from liability for any assessments thereafter coming due or from the lien thereof.

The policy must provide for at least thirty (30) days written notice to the Association and to any holder of a first mortgage on an Improved Lot before the insurance is canceled or substantially modified. If permitted by law, such policy shall name the Association as one of the named insureds as its interests appear, and copies of said policies and renewals thereof shall be furnished to the Association. Upon failure by any Owner to promptly pay the premiums due on the policy insuring the Owner's Improved Lot, the Association may, but is not required to, pay the delinquent premium(s) and add the same to the annual assessment against the subject Improved Lot which shall be due and payable on or before the first day of the calendar month following payment of the same by the Association. The proceeds of the insurance policy procured by Owner pursuant to this Section are hereby assigned to the Association to be applied as provided in Section 7.06 and each Owner agrees to execute any other documentation necessary or desirable to effectuate this assignment.
- (b) By Association: The Board of Directors shall procure and maintain such insurance coverages as it deems necessary or useful in order to carry out the obligations of the Association as set forth in this Declaration. At a minimum, all improvements and personal property included in the Common Property should be insured in an amount equal to 100% of replacement cost of the insured Property at the time the insurance is purchased.

Section 7.02 Public Liability Insurance.

- (a) By Owners: Each Owner, at his own expense, shall keep in force comprehensive personal liability insurance for injury to persons or damage to property of others occurring on Owner's Lot in such amounts as the Board shall from time to time determine, with the minimum amount of \$1,000,000.00. The policy must provide for at least thirty (30) days written notice to the Association and to any holder of a first mortgage on an Improved Lot before the insurance is cancelled or substantially modified. The policy must list 3 Cherry Way Homeowners Association, Inc. as named insured. Additionally, the policy must list Cherry Enterprises, Inc. as additional named insured for so long as Cherry Enterprises, Inc. owns property in 3 Cherry Way. A copy of such policy and any renewal shall be furnished to the Association. In the event Owner fails or refuses to maintain such insurance coverage as herein required, the Association may, but shall not be obligated to, secure and maintain such insurance coverage for Owner's benefit, and add the cost or expense thereof to the annual assessment against the subject Improved Lot which shall be due and payable on or before the first day of the calendar month following payment of the same by the Association.
- (b) By Association: The Association shall obtain and maintain to the extent obtainable, public liability insurance in such limits as the Board of Directors may from time to time determine, which shall not be less than that required by private institutional mortgage investments for projects similar in construction, location and use, covering the Association, each member of the Board, the Managing Agent, if any, and each Owner, with respect to his liability arising out of the ownership, maintenance, repair or use of the Common Property and legal liability arising out of lawsuits relating to employment contracts of the Association. Such insurance shall include endorsements covering the cost of liability claims of one insured against another, including the liability of the Owners as a group to a single Owner.

Section 7.03 Fidelity Bonds. The Board of Directors shall have the right to obtain fidelity insurance for all officers, directors, employees, and/or the Managing Agent of the Association and all other persons handling or responsible for funds of or administered by the Association. Such fidelity bonds shall name the Association as an obligee and shall be in an amount not less than the estimated maximum of funds, including reserve funds, in the custody of the Association and for the Managing Agent at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than a sum equal to one and one-half

times estimated annual operating expenses and reserves. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions.

Section 7.04 Officers' and Directors' Coverage. The Board shall also be entitled to obtain and maintain insurance indemnifying each member of the Board and each officer of the Association against any and all loss, damage, liability or expense incurred by such officer or director at any time by reason of or arising out of any act performed by such Officer or Director on behalf of the Association or in furtherance of its interests, except for liability for gross negligence, willful malfeasance or fraud. The policy shall cover all individual officers and directors as well as the Association as named insureds and shall be in such amount as the Board of Directors determines from time to time to be desirable.

Section 7.05 Other. The Board shall obtain such other insurance coverages, including flood insurance, workmen's compensation, host liquor liability insurance, and comprehensive automobile liability insurance, as the Board shall determine from time to time to be desirable.

Section 7.06 Duty to Repair Damage or Destruction by Fire or Other Casualty.

- (a) Except as herein specifically stated, all casualty damages shall be promptly repaired and all insurance proceeds paid under both the Owner's and Association's policies shall be used for such purpose. In case of duplicate coverages by the Association and the Owner where proceeds are payable under both policies for the same damages, and the total amount of the proceeds exceed the cost of repair, the Association's policy shall be deemed "excess coverage" and used only to the extent proceeds payable under the Owner's policy are not sufficient for such repair and replacement.
- (b) The Association is hereby designated as an insurance trustee to receive such insurance proceeds as are paid and to hold the same in trust for the purposes stated in this Section 7.06. Except as specifically provided in subsection (c), the Board of Directors shall arrange for the prompt repair and restoration of any damaged Improved Lot and Common Property in accordance with the original plans and specifications for the damaged improvements, and the Board shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration and appropriate progress payments.
- (c) The provisions of this Section 7.06 shall apply to any portion of the Community for which insurance coverage is required unless the Owners decide not to rebuild by an eighty (80%) percent vote, including one hundred (100%) approval of Owners of Improved Lots not to be rebuilt. Upon the adoption of such resolution, any insurance proceeds received by reason of damage to such Improved Lot not required to pay the costs of demolition and site cleanup shall be delivered to the Owners of such Improved Lot, subject to the rights of any mortgagee. Any proceeds received by the Association under its policy shall be treated as a common surplus.

Section 7.07 Owner's Personal Property. Each Owner shall be responsible for obtaining insurance coverage for such Owner's furniture, furnishings, and personal property against loss by fire, windstorm and extended coverage perils and the Association shall have no liability for the loss thereof. All such policies shall contain a waiver of subrogation against the Association.

ARTICLE VIII

CONVEYANCE OF COMMON PROPERTY

Section 8.01 Upon the sale of all Lots, Declarant by deed will convey its right, title and interest in and over the road rights-of-way and any other Common Property within the Subdivision to the Association. Notwithstanding the recordation of any Map or any other action by Declarant or the Association, all common areas shall remain private property and shall not be considered as dedicated to the use and enjoyment of the public.

ARTICLE IX

ARCHITECTURAL CONTROL

Section 9.01 Architectural Control Committee. In order to control modifications and alterations to the design and location of the Dwelling Units and other improvements (the "Improvements") after the same have been initially constructed upon the Lots in the Subdivision, the Declarant hereby creates an Architectural Control Committee for the purpose of reviewing, approving, suggesting changes to, and rejecting plans and specifications for modifications and alterations to such improvements.

Section 9.02 Control of the Committee. The Committee shall be controlled by the Declarant until a certificate of occupancy is issued for the Dwelling Units on all the Lots in the Community, provided Declarant, by written notice to the Association, may elect to relinquish control of the Committee to the Association at an earlier date, and in either case the control of the Committee shall pass to the Association. During the period of control by Declarant, the Committee shall be comprised of such members, not to exceed three (3), as Declarant designates. The Committee shall be composed of three (3) members upon the Association taking control, who shall be elected by a majority vote of the members of the Association at a meeting of the members called for this purpose. At any time, the Committee may, but shall not have the duty to, retain one or more architects or other house designers and land planners as it deems advisable to assist the Committee in performing its review responsibilities. The Committee shall have the additional right of deciding whether or not Lot purchasers shall have the right to act as their own general contractors as to remodeling and improvements to the Dwelling Units.

Section 9.03 Plans for Remodeling, Outbuildings and Fences. After the certificate of occupancy is issued with respect to the original construction, no building, fence, wall, outbuilding or any other accessory feature to the Dwelling Unit or any other structure upon any building Lot shall be commenced, erected, placed, maintained or altered on any Lot or combination of contiguous Lots, until the Complete Construction Plans (the "Plans") for the remodeling or improvements are approved in writing, by Committee or its designated agents. These rules shall also apply in the event of reconstruction or repair after any damage or loss to the Dwelling Units or any part of the Common Property.

Section 9.04 Approval of Plans. The Committee or its designated agents shall have thirty (30) days after physical receipt of the Plans to accept or reject the same in whole or in part. If no response by the Committee has been made in writing within said 30 days, the Plans shall be deemed to be approved as submitted. After the Plans are approved and after the Committee gives written permission for construction, reconstruction or remodeling to begin, the actual construction, reconstruction or remodeling shall be commenced and completed in accordance with the approved Plans, together with the requirements of the Declaration and the Restrictive Covenants for 3 CHERRY WAY. The Committee shall have the right to waive minor setback violations, not to exceed a variance of 10% in any single instance, when the remedial costs of correcting such violation, in the Committee's opinion, would impose undue hardship upon the violator. The Plans that are developed by the Declarant for the construction of the townhomes on each Lot are automatically approved.

Section 9.05 Submission of Plans. Any Owner who wishes to submit remodeling, reconstruction, or improvement plans to the Architectural Control Committee shall do so by submitting to the Committee the following:

- (1) A completed "Request for Architectural Review" form. (Form to be created by the Architectural Control Committee.)
- (2) A complete set of drawings and any required attachments.
- (3) For extensive physical construction a check for \$200.00 to pay for professional review of the plans.

(It is not the intention of the Declarant or the Association to levy a charge for a simple plan and request of an Owner for planting flowers or plants in the established planting area in front of each Unit. However, such plans must still be submitted for review and approval by the Architectural Control Committee with no attached fee).

Section 9.06 Liability. Neither the Association, the Architectural Control Committee, the officers, agents, directors, or members thereof, nor the Declarant shall be liable for damages or otherwise to anyone submitting plans and specification and other submittals for approval or to any Owner by reason of mistake of judgment, negligence, or nonfeasance arising out of services pursuant to this Declaration.

All such rules and regulations and amendments thereto, subsequent to the initial set of rules and regulations established by Declarant, shall be approved by the Board of Directors before same shall become effective, except that prior to relinquishment of control, the Declarant shall have sole discretion to change or amend the rules and regulations.
